# **J'CHAI**

JCHAI is looking for instructors or passionate individuals to lead zoom classes for adults with special needs. Zoom classes are currently offered three times per day, five days per week (typically 11 am, 1 pm, and 3 pm, although those times could be altered with enough notice). The classes are on a wide variety of topics and last about 45 minutes. Anyone with expertise or even just a passion for a topic could do a class or series of classes on the subject. It could be a historical topic, a craft, a skill (Yiddish?), just about anything.

JCHAI is also looking for regularly scheduled phone/zoom buddies to be matched with JCHAI participants who may be limited in social interaction because of the pandemic. The volunteer could call or Zoom with individuals to chat on a regular basis.
